**OFFICE OF PUBLIC HEALTH
DEPARTMENT OF HEALTH AND HOSPITALS
STATE OF LOUISIANA**
New Orleans, Louisiana

As part of our audit of the State of Louisiana's financial statements for the year ended June 30, 2007, we considered the Office of Public Health's internal control over financial reporting and over compliance with requirements that could have a direct and material effect on a major federal program; we examined evidence supporting certain accounts and balances material to the State of Louisiana's financial statements; and we tested the office's compliance with laws and regulations that could have a direct and material effect on the State of Louisiana's financial statements and major federal programs as required by *Government Auditing Standards* and U.S. Office of Management and Budget Circular A-133.

The Annual Fiscal Report of the Office of Public Health is not audited or reviewed by us, and, accordingly, we do not express an opinion on that report. The office's accounts are an integral part of the State of Louisiana's financial statements, upon which the Louisiana Legislative Auditor expresses opinions.

In our prior management letter on the Office of Public Health for the year ended June 30, 2006, we reported findings on the lack of internal control over movable property, insufficient documentation of program expenditures, and overpayment of terminated employees. These findings were resolved by management.

Based on the application of the procedures referred to previously, we found no matters that required disclosure in this management letter or in the Single Audit Report of the State of Louisiana.

This letter is intended for the information and use of the office and its management, others within the office, and the Louisiana Legislature and is not intended to be, and should not be, used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this letter is a public document and it has been distributed to appropriate public officials.

Respectfully submitted,

Steve J. Theriot, CPA
Legislative Auditor
